ABOUT THIS ARTICLE (PREAMBLE)

● **In a nutshell:** This case is all about CHILDREN.

"Justitsmord" is the Danish word for [miscarriage of justice](#) which literally translates to "justice murder".

Due to **Danish state corruption**, **institutional racism**, and **institutional sexism** against **fathers**, three years ago, my time with my children was **illegally** changed and reduced from 1 week every other week, to just 4 days every other week..since then, I have been continually fighting the system, and **I have decided to expose and crash the system**.

Links to actual (anonymised) case documentation proving "Justismord" are provided in the articles.

BLOG: Justitsmord Cover-up

In a nutshell: This case is all about CHILDREN.

This blog is an **exposé** regarding "Justismord" (miscarriage of justice) and related cover-up involving several Danish state authorities and government ministers.

MISCARRIAGE OF JUSTICE

Due to **Danish state corruption**, **'Institutional Racism'**, and **institutional sexism** against **fathers**, three years ago, my time with my children was **illegally and fraudulently** changed and reduced from 1 week every other week, to just 4 days every other week.

I have a claim on breaches of several sections of Danish Penal Law (**Straffeloven §146, §155, §156, §157, §163, §215, §261**) by the authorities involved.

Links to actual (anonymised) case documentation proving "Justismord" are provided in the articles.

This article is a detailed exposé of Danish State **Institutional Racism(White Supremacy)** and Danish State Institutional Sexism (against fathers) and resulting gross **miscarriage of justice**, and apparent cover-up involving Danish government ministers.

In the UK, '**Institutional Racism**' was defined by [Sir William Macpherson \(retired judge\)](#) as follows:-

*"Institutional racism: the collective failure of an organization to provide an **appropriate** and **professional** service to people because of their colour, culture, or ethnic origin".*

●**The situation is very serious:** Every decision made by [Statsforvaltningen](#), [Ankestyrelsen](#), [Familiereftsafdeling](#), [Psykolognævnet](#), and Kommunes - especially those involving '**børnesagkyndige undersøgelser**' (English: *child welfare investigation*) since at least **2009** - will have to be investigated (and I believe by the police)...and people involved will have to 'resign' (or be fired!).

The single Danish phrase that best describes the whole situation is : ["Der er ikke fejlet noget ind under gulvtæppet"](#) (English: There is nothing swept under the carpet)

The situation is very serious: Every decision made by Statsforvaltningen, Ankestyrelsen, Familiereftsafdeling, Psykolognævnet, and Kommunes - especially those involving '**børnesagkyndige undersøgelser**' (English: *child welfare investigation*) since at least 2009 - will have to be investigated by the **police** and people involved will have to '**resign**' or be '**fired**'

●**DANISH PRIME MINISTER'S DUTY:** [Danish Prime Minister Helle Thorning-Schmidt](#) as the government's most senior minister has a general duty to supervise the other ministers.

(Danish: [Statsministeren har som regeringens øverste chef en almindelig pligt til at føre tilsyn med de andre ministre.](#))

PHOTO: [Danish Prime Minister Helle Thorning-Schmidt](#) ([source](#))

What the above paragraph means is that, if the facts (i.e. documentation) show that ministers have not fulfilled their [minister responsibility](#), it is the [Danish Prime Minister's](#) duty to ensure they do or ask them to resign (fire them).

It is clear from the information that is disclosed as part of this article that staff (and contracted persons) from the authorities involved have shown **inappropriate** and **unprofessional** conduct...the only question is "why?"

On [Danish Prime Minister's](#) personal [website](#), [Prime Minister Helle Thorning-Schmidt](#) writes the following:-

English: "I became a Social Democrat, because 30 years ago I got my eyes opened up to the fact that people are being discriminated against because of their gender and skin color"

Danish: "Jeg blev socialdemokrat, fordi jeg for 30 år siden fik øjene op for, at mennesker bliver diskrimineret på grund af deres køn og hudfarve"

I believe we are looking at a case of Danish state [Institutional Racism\(White Supremacy\)](#) and Danish State Institutional Sexism (against fathers).

Are [Danish Prime Minister Helle Thorning-Schmidt](#)'s eyes still open?

●**DOCUMENTATION:** This article contains hyperlinks to the *actual case documentation* relating to and demonstrating "JUSTITSMORD".

INTRODUCTION

([picture source](#))

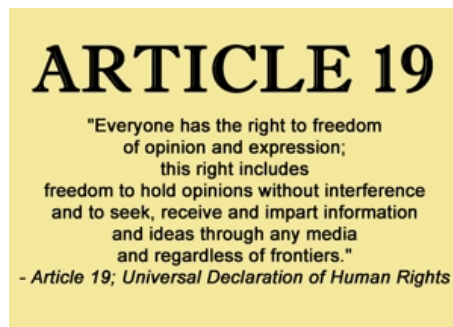

This article introduces a 'new dynamic' into my three year battle for justice....this story could also be called **"3 Years A Slave!"**

I believe that the state authorities involved and my children's mother have committed several breeches of Danish Penal Law ([Straffeloven §146](#), [§155](#), [§156](#), [§157](#), [§163](#), [§215](#), [§261](#))

Specifically, the [miscarriage of justice](#) that my articles expose is related to the illegal and fraudulent reduction in my 7/7 samvær (English: time) with my two children, that I had since 2008, being illegally and fraudulently reduced to 10/4 samvær (time) by [Statsforvaltningen](#) in 2011 (at the request of my children's mother based solely on her obviously false accusations).

I have pointed out the facts of the matter proving illegal and fraudulent reduction in my 7/7 samvær (English: time) with my two children, but the authorities have chosen to cover it up.

•FREEDOM OF EXPRESSION

([picture source](#))

This case is truly in the public interest.

This case cannot withstand the light of day..*Sagen tåler ikke dagens lys!*

I assert my rights to freedom of expression as described under Article 10 of the [European Convention on Human Rights](#), and Article 19 of [The Universal Declaration of Human Rights](#).

This article is written mainly in the English language to increase the exposure of this article (outside of Denmark).

17) CASE DOCUMENTATION

1) POLITICAL SIGNIFICANCE:

([picture source](#))

This story is of political significance for Danish politics and is *at least* of equal significance to both the [Tamil Case](#) and the [Palestinian Stateless Case](#) put together, BUT, in this case, related to the Danish family law system (and most likely affecting more people than affected in both the [Tamil Case](#) and the [Palestinian Stateless Case](#)).

In both the [Tamil Case](#) and the [Palestinian Stateless Case](#) ministers were well informed of **inappropriate** and **unprofessional** conduct by staff and authorities that were under the ministers' responsibility...but the ministers chose to do nothing.

I believe that the state authorities involved in this case have committed several breaches of Danish Penal Law ([Straffeloven §146](#), [§155](#), [§156](#), [§157](#), [§163](#), [§215](#), [§261](#))

In this case, [Minister Margrethe Vestager](#) and [Minister Karen Hækkerup](#) (and [Minister Manu Sareen](#)) have been well informed of **inappropriate** and **unprofessional** conduct by staff and authorities that were/are under the minister's responsibility...but the ministers chose to do nothing.

In the UK, '[Institutional Racism](#)' was defined by [Sir William Macpherson \(retired judge\)](#) as follows:-

*"Institutional racism: the collective failure of an organization to provide an **appropriate** and **professional** service to people because of their colour, culture, or ethnic origin".*

●Who is [Minister Margrethe Vestager](#)?

PHOTO: [Minister Margrethe Vestager](#) (Source)

[Minister Margrethe Vestager](#) is [Minister for Economic Affairs and the](#)

[Interior](#) and also the leader of the [Radikale Venstre](#) political party that forms the [minority Danish coalition government](#) along with [Danish Prime Minister Helle Thorning-Schmidt](#)'s own political party [Socialdemokraterne](#).

The Danish state authorities involved with this case that **are** under the responsibility of [Minister Margrethe Vestager](#), are:-

- [Statsforvaltningen](#)

(English: [The States Administration](#))

•Who is [Minister Karen Hækkerup](#)?

PHOTO: [Minister Karen Hækkerup](#) ([source](#))

[Minister Karen Hækkerup](#) is [Danish Justice Minister](#) and member of the [Socialdemokraterne](#) political party. [Minister Karen Hækkerup](#) has previously been Social Minister and Minister for Food and Agriculture. In short, [Minister Karen Hækkerup](#) has been given *three* minister posts by the [Danish Prime Minister Helle Thorning-Schmidt](#).

When [Minister Karen Hækkerup](#) was Social Minister, several Danish state authorities **were** under [Minister Karen Hækkerup](#)'s responsibility.

The Danish state authorities involved with this case that **were** under the responsibility of [Minister Karen Hækkerup](#), are:-

- [Statsforvaltningen](#)

(English: [The States Administration](#))

- [Ankerstyrelsens Familieretsafdeling \(Familietyrelsen\)](#)

(English: [The Division of Family Affairs at the National Social Appeals Board](#))

- [Psykolognævnet](#)

(English: [The Danish Supervisory Board of Psychological Practice](#))

•Have [Minister Margrethe Vestager](#), [Minister Karen Hækkerup](#) and [Minister Manu Sareen](#) done a cover-up?

Both [Minister Margrethe Vestager](#) and [Minister Karen Hækkerup](#) (in the role of Social Minister) have been well informed about the serious problems regarding the Danish state authorities that they are or have been directly responsible for.

[Minister Karen Hækkerup](#) and [Minister Margrethe Vestager](#) have both chosen to do absolutely nothing to correct the problems....is this some kind of **cover-up**?

Read the following letters (in Danish) and decide if there has been a **cover-up** for yourselves:-

[000 Letter from Økonomi -og Indenrigsministeriet dated 07-11-2013](#)(in Danish)

[002 Letter from Social Minister Karen Hækkerup 17-10-2012](#)(in Danish)

[012 Letter from Ankerstyrelsens Familieretsafdeling 04-07-2013](#)(in

NOTE 1: It is clear from the above letter from Økonomi -og Indenrigsministeriet that I had written to [Annette Vilhelmsen](#) when she was Socialminister directly after [Minister Karen Hækkerup](#)

NOTE 2: I have written directly to [Minister Manu Sareen](#), who is the existing Social minister by email regarding this case and my articles...he has chosen to do nothing.

The authorities involved are as Follows:-

- [Justitsministeriet](#) (Specifically [Minister Karen Hækkerup](#))

(English: [Ministry of Justice](#))

- [Social -og- Integrations Ministeriet](#) (now under a different name)

(English: [Ministry for Social-welfare and Integration](#))

- [Statsforvaltningen](#)

(English: [The States Administration](#))

- the Kommune (English: council district) in which I live.

- [Dansk Psykolog Forening](#)

(English: The Danish Psychologists' Association)

The situation is very serious: Every decision made by [Statsforvaltningen](#), [Ankerstyrelsen Familieretsafdeling](#), [Psykolognævnet](#), and Kommunes - especially those involving '[børnesagkyndige undersøgelser](#)' (**English: child welfare investigation**) since at least 2009 - will have to be investigated (and I believe by the police)...and people involved will have to 'resign' (or be fired!).

I have a claim on breeches of [Straffeloven](#) (English: Danish Criminal law) [Straffeloven §146](#), [§155](#), [§156](#), [§157](#), [§163](#), [§215](#), [§261](#) and I am in the process of writing a 'politianmeldelse' (English: police report).

More details will be released in future articles, BUT the documentation that I am uploading explains it all in detail.

4) Other Related Articles of Interest

It is worthwhile to read & see the following (Danish) articles/videos, as this allows this article that you are now reading to be put within in a much wider context, and why the disclosure of the information in the documentation linked to this article is very, very important.

- [Fakta om fejl og klager over Statsforvaltningens afgørelser på børne- og familieområdet \(Statsforvaltningen\)](#)

Like I wrote previously above : "**The situation is very serious:** Every decision made by [Statsforvaltningen](#), [Ankerstyrelsen Familieretsafdeling](#), [Psykolognævnet](#), and Kommunes - especially those involving '[børnesagkyndige undersøgelser](#)' since at least 2009 - will have to be investigated (and I believe by the police)...and people involved will have to 'resign' (or be fired!)".

5) HOW THEY DID IT

([picture source](#))

Before the illegal change in my time with my children, I wrote to the Director responsible for the particular Statsforvaltningen offices that my case fell under.

The Director of that particular Statsforvaltningen replied by [letter](#) as follows:-

*Danish: "Jeg kan oplyse, at vi bestræber os på at levere en høj service, og at vi bestræber os på at være **neutrale** og **upartiske**"*

*English: "I can inform you that we strive to deliver a high level of service and we strive to be **neutral** and **impartial**"*

Read the letter for yourself in the link below:-

[002 Letter form the Director Statsforvaltningen 'XXXX' dated 01-07-2010](#)

It is clear from the information that I am disclosing here, that Statsforvaltningen are very **unprofessional** and very **biased**.

I have been told by several Danish people, both female and male, that it is **common** for mothers to kidnap children from the family home, and then to make false accusations about fathers to [Statsforvaltningen](#) and the kommune, and for [Statsforvaltningen](#) and kommune to act in favour of the mother.

**MISCARRIAGE
OF JUSTICE**

([picture source](#))

How 'they' did it:

●1) [Statsforvaltningen](#) are doing invalid and unethical '[Børnesagkyndige Undersøgelser](#)' (English: child welfare investigation) involving psychologists authorised by [Dansk Psykolog Forening](#) (English: The Danish Psychologists' Association) that do not fulfil the minimum requirements (Danish: Udgangspunktet for undersøgelser's inhold) dictated in the [Vejledning om Børnesagkyndige Undersøgelser](#) (English: Guidelines for Child welfare Investigation).

The guidelines state that there must be **"at least two observations of the interactions between that parent and the child"**.

Observations are allowed to be "home visits (Danish: Hjemmebesøg)". In this case the psychologist only did one observation or home visit (Danish: Hjemmebesøg).

See the following documentation:-

[001a 1st Page of Psychologist's report](#)

'Vejledning om børnesagkyndige undersøgelser' (see [here](#) and [here](#))

●2) [Statsforvaltningen](#) then deliberately make a false statement ([Straffeloven §163](#)) by stating that the 'invalid' investigation met the minimum requirements (Danish:Udgangspunkt) for '[Børnesagkyndige Undersøgelser](#)'. as stated in [Vejledning om Børnesagkyndige](#)

[Undersøgelser](#) (English: Guidelines for Child welfare Investigation)

See the following documentation:-

[010 Statsforvaltningens 'JUSTITSMORD' Decision dated 15-02-2011](#)
[page 6](#)

●3) Thereafter, [Statsforvaltningen](#), after deliberately making a false statement ([Straffeloven §163](#)), make a decision based on the invalid (Danish: ugyldigt) '[Børnesagkyndige Undersøgelser](#)' to (illegal) change and reduce my time with my children from 7 days to 4 days out of every 14 day period - as called 10/4 weekendsamvær arrangement...isn't this 'JUSTITSMORD' ([Straffeloven §146](#))?

See the following documentation:-

[010 Statsforvaltningens 'JUSTITSMORD' Decision dated 15-02-2011](#)
[see page 8](#)

●4) [Ankerstyrelsens Familieretsafdeling \(Familietsyrelsen\)](#) are then covering-up the 'JUSTITSMORD' by upholding (illegal) decisions by [Statsforvaltningen](#).

See the following documentation:-

[003 Familiestyrelsens 'JUSTITSMORD' Decision dated 16-05-2011](#)
[009 Familiestyrelsen Afslag dated 14-09-2011](#)

●5) [Psykolognævnet](#) are also covering invalid(ugyldigt) '[Børnesagkyndige Undersøgelser](#)', by upholding invalid(ugyldigt) '[Børnesagkyndige Undersøgelser](#)' that do not meet the *minimum* requirements set out in the 'udgangspunkt'...even though I prove that the psychologist involved was 'inhabil til sagen' and knew it before the psychologist did the '[Børnesagkyndige Undersøgelser](#)' that did not meet the *minimum* requirements set out in the 'udgangspunkt'.

See the following documentation:-

[026 to statsforvaltningen dated 7-03-2012](#) *NEW UPLOAD*

●6) The ministries responsible for [Statsforvaltningen](#), [Ankerstyrelsens Familieretsafdeling \(Familietsyrelsen\)](#), and [Psykolognævnet](#) have been informed in sufficient detail by myself of the problems...but they do not choose to act (i.e cover-up)

See proof in the documentation below:-

[001a 1st Page of Psychologist's report](#)

[010 Statsforvaltningens 'JUSTITSMORD' Decision dated 15-02-2011](#)
[see pages 6 and 8](#)

[009 Familiestyrelsen Afslag dated 14-09-2011](#)

'Vejledning om børnesagkyndige undersøgelser' (see [here](#) and [here](#))

●[Forældreansvarsloven](#): '[Børnesagkyndige undersøgelser](#)' has a legal basis in "The Law of Parents Responsibility (Danish: [Forældreansvarsloven](#)). [Forældreansvarsloven](#) is now in jeopardy.

6) SHOULD MINISTER KAREN HÆKKERUP RESIGN (BE FIRED)?

[Minister Karen Hækkerup](#) is the [Danish Justice Minister](#).

PHOTO: [Minister Karen Hækkerup \(source\)](#)

[See Justitsminister Karen Hækkerup CV](#)

How is Minister Karen Hækkerup's Involved? Very good question.

I wrote to [Minister Karen Hækkerup](#) (and her staff) when she was Socialminister from late 2012 to early 2013.

At the times when I wrote to Minister Karen Hækkerup (and her staff) when she was Socialminister, [Statsforvaltningen](#), [Ankerstyrelsens Familieretsafdeling \(Familietsyrelsen\)](#), and [Psykolognævnet](#), were **ALL** under her direct responsibility.

I believe that the state authorities involved and my children's mother have committed several breeches of Danish Penal Law ([Straffeloven §146](#), [§155](#), [§156](#), [§157](#), [§163](#), [§215](#), [§261](#)), and I am now preparing the basis of a police report against staff from the authorities involved.

The situation is such, that due to a conflict of interest, [Minister Karen Hækkerup](#) **must** resign at the moment my politianmeldelse is handed in to Københavns Politi (Copenhagen Police), as my police report is concerning matters that were directly under the responsibility of [Minister Karen Hækkerup](#) when she was Socialminister, and as I will be reporting staff from [Ministry for Social-welfare and Integration](#)

In Danish words : "[Minister Karen Hækkerup](#) er *inhabil til sagen* som Justitsminister" (English: [Minister Karen Hækkerup](#) is disqualified from the case in her role as Justice Minister)

The documentation proves that [Minister Karen Hækkerup](#) has direct knowledge of the information that I am disclosing here, and that [Minister Karen Hækkerup](#) did absolutely nothing to correct the very serious problems regarding [Statsforvaltningen](#), [Ankerstyrelsens Familieretsafdeling \(Familietsyrelsen\)](#), and [Psykolognævnet](#).

Read the following two letters:-

• [002 Letter from Social Minister Karen Hækkerup 17-10-2012](#)

• [012 Letter from Ankerstyrelsens Familieretsafdeling 04-07-2013](#)

COMPARISON WITH THE "OLIVER CASE"

I should point out that [Minister Karen Hækkerup](#) asked for an [explanation](#) from [Malene Vestergard](#) of [Ankerstyrelsens Familieretsafdeling](#) regarding the "Oliver Case".

[Minister Karen Hækkerup](#) should have asked [Malene Vestergard](#) of [Ankerstyrelsens Familieretsafdeling](#) for an explanantion regarding my case...as I prove that [Malene Vestergard](#)'s own staff did not do their job properly and disregarded [guidelines](#) written by [Malene Vestergard](#).

I should also point out that the father in the Oliver Case is classified as a white ethnic Dane - whereas I am not - is this why [Minister Karen Hækkerup](#) refused to ask [Malene Vestergard](#) for an explanation regarding my case.

I have been told by various (white) Danes that the reasons for the problems with my case is because I am NOT a white ethnic Dane.

PICTURE: [The C.O.W.S](#) "Please, respect me like I am a white person" T-shirt Experiment. [picture source](#).

In the UK, '[Institutional Racism](#)' was defined by [Sir William Macpherson \(retired judge\)](#) as follows:-

*"Institutional racism: the collective failure of an organization to provide an **appropriate** and **professional** service to people because of their colour, culture, or ethnic origin".*

What kind of minister would do "nothing" when presented with such clear evidence of corruption, racism, and sexism?

[Minister Karen Hækkerup](#)'s decision NOT to ask for an explanation from Kontorchef [Malene Vestergard](#), after I had pointed out to [Minister Karen Hækkerup](#) that Kontorchef [Malene Vestergard](#)'s own staff did not do their job properly and disregarded [guidelines](#) written by [Malene Vestergard](#), was both "**inappropriate**" and "**unprofessional**".

Like I said before the father in the Oliver Case is "white".

MINISTER KAREN HÆKKERUP'S MINISTER RESPONSIBILITY

[Minister Karen Hækkerup](#)'s direct predecessor in the role of Justice Minister, was [Morten Bødskov](#).

PHOTO: [Morten Bødskov \(former Justice Minister\)](#) ([source](#))

On the 1st October 2012, I wrote an email to [Minister Karen](#)

[Hækkerup](#) (as social minister), and also the Justice Minister at that time, [Morten Bødskov](#), to inform/complain about abuse of power and breeches of Danish Penal Law ([Straffeloven §146, §155, §156, §157, §163, §215, §261](#)) by [Statsforvaltningen](#) and [Ankerstyrelsens Familieretsafdeling \(Familietsyrelsen\)](#).

[Morten Bødskov](#) replied the very next day on the 2nd October 2012 by email via his minister secretary as follows:-

English translation: *["Justice Minister Morten Bødskov has asked me to thank you for your email of 1 October 2012.](#)*

[Meanwhile, the Justice Minister has asked me to inform you that your e-mail concerns Social and Integrations Minister's \(i.e Minister Karen Hækkerup's\) responsibility, and this is why he does not have the opportunity to go into the case.](#)

[The Minister of Justice hopes in this respect, that you will understand that he as a minister accepts the responsibilities laid down between the individual ministries.](#)

[As it appears from your email that you have also written to the Social and Integration minister \(i.e Minister Karen Hækkerup\). The Ministry of Justice will take no further involvement regarding your request.](#)

[Sincerely,](#)

[Minister Secretariat"](#)

See the original email in Danish linked below:-

[Email_from_justitsministeriet_02-10-2012](#)

[Minister Karen Hækkerup](#) has clearly not fulfilled her minister responsibility. Read the Danish laws regarding a minister's responsibility:-

- [Lov om ministres ansvarlighed](#) (English: Danish Law on Minister responsibility)

I believe that [Minister Karen Hækkerup](#) should resign from the post of [Danish Justice Minister](#).

If [Minister Karen Hækkerup](#) refuses to do the right thing by resigning from her post as [Danish Justice Minister](#), then the [Danish Prime Minister Helle thorning schmidt](#) should show strong moral conviction and simply fire [Minister Karen Hækkerup](#) from the post of [Danish Justice Minister](#)...even though [Minister Karen Hækkerup](#) is [Danish Justice Minister](#), and has been given three ministry posts by the [Danish Prime Minister Helle thorning schmidt](#).

NOTE: For those of you reading this article outside of Denmark who do not know who the [Danish Prime Minister Helle thorning schmidt](#) is, read this link [here!](#)

The problems that this article highlights can be attributed to Danish State [Institutional Racism\(White Supremacy\)](#) and Danish State Institutional Sexism (against fathers).

I have done analysis concerning the points above. See the following document:-

[022 to Statsforvaltningen Xxxxx Direktør dated 16-01-2012*NEW UPLOAD*](#)

The denial of racism is absolutely crucial to its existence.

Read (Danish) [Hækkerup: Racisme er ikke en generel tendens i Danmark](#) (English: Hækkerup: Racism is not a general tendency in Denmark)

([picture source](#))

If you also believe that **Minister Karen Hækkerup** should resign after you have read this article and supporting documentation, then very kindly and very respectfully ask **Danish Prime Minister Helle thorning schmidt** ask for **Minister Karen Hækkerup's** resignation in the name of justice and morality by sending an email to **the Danish Prime Minister Helle thorning schmidt** at **stm@stm.dk**.

PHOTO: [Danish Prime Minister Helle Thorning-Schmidt](#)(source)

7) SHOULD STATSFORVALTNINGEN DIREKTØR HELLE HAXGART RESIGN (BE FIRED)?

Who are Statsforvaltningen and Direktør Helle Haxgart?

●**STATSFORVALTNINGEN:** Statsforvaltningen([Danish State Administration](#)) is the state authority that *"has been established as the state authority that handles tasks in areas where it is considered to be an **advantage** that administration and related contact between authorities and citizens are taken care of at local level"*

The critical word in the above sentence is the word 'advantage'...to whose 'advantage' and for what 'purpose'?

The problems that this article highlights can be attributed to Danish State [Institutional Racism\(White Supremacy\)](#)and Danish State Institutional Sexism (against fathers).

The 'purpose' of [Institutional Racism\(White Supremacy\)](#)and Institutional Sexism (against fathers) is to give 'advantage' to one particular group by mistreating/abusing the rights of another group.

I have done anlysis concerning the points above. See the following document:-

[022 to Statsforvaltningen Xxxxx Direktør dated 16-01-2012](#)*NEW UPLOAD*

•**DIREKTØR HELLE HAXGART**: Direktør Helle Haxgart is the Director (Danish: Direktør) of Statsforvaltningen, and it goes without saying that it is the direct responsibility of the Direktør of Statsforvaltningen to ensure that Statsforvaltningen follow all applicable [Danish Laws](#) whilst striving to deliver a high level of service by being **neutral** and **impartial**.

Direktør Helle Haxgart was previously Direktør of Statsforvaltningen Sjælland and Vicedirektør of [Statsforvaltning Hovedstaden](#) under [Direktør Niels Preisler](#).

PHOTO: Statsforvaltningen Direktør Helle Haxgart ([source Bjarne Lüthcke picture no.11](#))

•**DIREKTØR HELLE HAXGART'S INVOLVEMENT:** I wrote to [Statsforvaltningen](#) (Danish State Administration) [Direktør Helle Haxgart](#) in late 2013 to bring to attention very serious problems in [Statsforvaltningen](#) that had led to my 7/7 samvær (time) with my two children, that I had since 2008, being illegally and fraudulently reduced to 10/4 samvær (time) by [Statsforvaltningen](#) in 2011 (at the request of my children's mother and her false accusations)...**but [Statsforvaltningen Direktør Helle Haxgart](#) has done nothing to solve the problem! WHY?**

I have a claim on breeches of Danish Penal Law ([Straffeloven](#)) [§146](#), [§155](#), [§156](#), [§157](#), [§163](#), [§215](#), [§261](#) by staff from [Statsforvaltningen](#).

Earlier in this article I will explain exactly 'how they did it' and provide links to 'anonymised' actual case documentation.

Now, [Statsforvaltningen Direktør Helle Haxgart](#) may not be to blame for the creation of the problem, BUT, [Statsforvaltningen Direktør Helle Haxgart](#) has a responsibility to fulfil.

[I believe that Statsforvaltningen Direktør Helle Haxgart should resign \(be fired\).](#)

PHOTO: Statsforvaltningen Direktør Helle Haxgart ([source](#))

I wrote to [Økonomi- og indenrigsminister Margrethe Vestager](#), who is the boss of [Statsforvaltningen](#) Direktør Helle Haxgart , and nothing was done to solve the problem.

I refer you to the following letters to Statsforvaltningen Direktør Helle Haxgart, Statsforvaltningen's reply, and Økonomi -og

Indenrigsministeriet's reply.

[Statsforvaltningen's Organisation Diagram](#)

In Økonomi -og Indenrigsministeriet's press release "[Helle Haxgart er udnævnt til direktør i Statsforvaltningen](#)", Økonomi- og indenrigsminister [Margrethe Vestager](#) states the following about [Statsforvaltningen Direktør Helle Haxgart](#):-

English: *"I am glad that Helle Haxgart has accepted the position of Director of State Administration. Helle Haxgart is an adaptable and development-oriented leader who securely led the state administration through the transition period from five regional state administrations to a single overall state administration. Helle has extensive experience in the state administrations tasks, **and she has a constant focus on the needs of citizens, and that the State Administration live up to people's expectations.**" - Margaret Vestager*

Danish: *"Jeg er glad for, at Helle Haxgart har sagt ja til stillingen som direktør for Statsforvaltningen. Helle Haxgart er en omstillingsparat og udviklingsorienteret leder, som på sikker vis har ført statsforvaltningerne gennem overgangsperioden fra fem regionale statsforvaltninger til en enhedsforvaltning. Helle har stor erfaring med Statsforvaltningens opgaveområder, og **hun har konstant fokus på borgernes behov, og på at Statsforvaltningen lever op til borgernes forventninger.**" - Margrethe Vestager*

([picture source](#))

If you also believe that [Statsforvaltningen](#) Direktør Helle Haxgart should resign (be fired) after reading the rest of this article very kindly and respectfully write to [Økonomi- og indenrigsminister Margrethe Vestager](#) at borger@oim.dk or oim@oim.dk asking for [Statsforvaltningen](#) Direktør Helle Haxgart's immediate resignation.

● [STATSFORVALTNINGEN'S KONTORCHEFER](#)

A "Kontorchef" in the Danish language is equivalent to a "Department Head" or "Head of Department" in English.

Since there are physically nine (9) [Statsforvaltningen](#) offices, there are several [Statsforvaltningen](#) Kontorchefer (Heads of Department).

PHOTO: Kontorchef [Jette Røgild](#) from [Statsforvaltningen København](#) (English: The State Administration Copenhagen) ([source](#))

[Statsforvaltningen København](#) handle **30%** of Statsforvaltningen's family law related cases (that could involve meetings with the parents/children). ([source](#))

Statsforvaltningen do not state directly what percentage of the remaining **70%** of family law related cases that are handled by the other eight Statsforvaltningen offices...so I will make some assumptions.

If we assume an even distribution of cases, then on average each of the other eight Statsforvaltningen offices will handle 8.75% of the 70% of cases that do not go to [Statsforvaltningen København](#).

This means that [Statsforvaltningen København](#) handles about **3.5 times** as many cases as the other Statsforvaltningen offices.

Are there 3.5 times as many staff at [Statsforvaltningen København](#) working on family law related cases when compared to the other Statsforvaltningen offices?

With [Statsforvaltningen København](#) handling **30%** of Statsforvaltningen's family law related cases, and about **3.5 times** as many cases as the **other** Statsforvaltningen offices, logically this means that **at least 30%** of the cases with **problems** will involve [Statsforvaltningen København](#).

By handling **30%** of the family law cases and about **3.5 times** as many cases as the **other** Statsforvaltningen offices, **it is highly probable that my case falls under the responsibility of [Statsforvaltningen København](#) and under Kontorchef [Jette Røgild](#)'s direct responsibility.**

I neither confirm nor deny the direct involvement of [Statsforvaltningen København](#) (previously Statsforvaltningen Hovedstaden) and Kontorchef [Jette Røgild](#) with my case.

● **THE DEPARTMENT HEAD'S RESPONSIBILITY**

The Kontorchef is **responsible** for the work carried out by their department and is also the direct boss/manager/supervisor of the staff within that department.

The above explains why [Direktør Helle Haxgart](#) forwarded my letter to her to the "responsible" kontorchef.

See the following letters:-

[034_Statsforvaltningen_Direktion_dated_20_12_2013](#)

[035_Statsforvaltningen_Kontorchef_dated_09_01_2014](#)

In the past, I have written to the **same** Kontorchef **responsible** for the Statsforvaltningen department that corruptly mishandled my case.

See the following letters:-

[008 Statsforvaltningen Kontorchef 04-02-2011](#) *NEW UPLOAD*

[012 to Statsforvaltningen Kontorchef dated 25-05-2011](#)

[015 From Statsforvaltningen Kontorchef 08-06-2011](#) *NEW UPLOAD*

The above two letters prove that the **Kontorchef** (Head of Department) **knows** that the "[børnesagkyndige undersøgelser](#)" (English: child welfare investigation) did not meet the minimum requirements for the investigation with regards to the number of observations (home visits).

The letter below is my letter to the Kontorchef that explains why the psychologist who did the [børnesagkyndige undersøgelser](#) should have been disqualified from the case due to a conflict of interest (Danish: Inhabil til sagen)

[024 to statsforvaltningen kontorchef 14-02-2012](#) *NEW UPLOAD*

[026 to statsforvaltningen Kontorchef dated 7-03-2012](#)

Other Similar Cases?

My case falls under the jurisdiction of one particular [Statsforvaltningen](#) office. I believe that there are other similar cases within the other [Statsforvaltningen](#) offices.

I know for a fact (I have documentation from another father), that the same psychologist and case work involved with my case did a [børnesagkyndige undersøgelser](#) for the same Statsforvaltningen offices as my case, with similar problems to my case, especially regarding the number of observations not meeting the minimum requirements for the [børnesagkyndige undersøgelser](#).

This means that all of [Statsforvaltningen](#) Kontorchefer (English: Department Heads) have a very serious problem to deal with as they and their staff could also be reported to the police for breeches of Danish Penal

Law ([Straffeloven §146](#), [§155](#), [§156](#), [§157](#), [§163](#), [§215](#), [§261](#)).

8) SHOULD ANKESTYRELSENS AFDELINGSCHEF DORRIT SYLVEST NIELSEN RESIGN (BE FIRED)?

([logo source](#))

•Who are Ankestyrelsens Familieretsafdeling?

Ankstryrelsen is The Danish National Board of Appeals that deals with, among others, appeals/complaints regarding issue/decisions relating to The Danish States Administration (Danish: Statsforvaltningen) and the local districts/councils (Danish:

Kommunes)

[Click here to see Ankestyrelsen's Organisations Diagram](#)

Ankestyrelsens Familieretsafdeling is a division of [Ankstyrelsen](#) but focusses on, among others, appeals/complaints regarding issue/decisions relating to The Danish States Administration (Danish: [Statsforvaltningen](#)) and the local districts/councils (Danish: Kommunes) , relating specifically to Danish Family Law.

[Ankestyrelsens Familieretsafdeling](#) translates to *The Division of Family Affairs at the National Social Appeals Board* in English.

Previously, [Ankestyrelsens Familieretsafdeling](#) was called Familiestyrelsen (English: [The Board of Family Affairs](#)), and was under the authority of the Ministry of Justice until late 2011 when it was moved under, with a change in name in 2012, to be under the responsibility of [Minister Karen Hækkerup](#)'s as Minister of Social affairs/welfare.

•Who is Afdelingschef Dorrit Sylvest Nielsen?

Afdelingschef Dorrit Sylvest Nielsen is the person charged with the full responsibility for [Ankestyrelsens Familieretsafdeling](#).

PHOTO: [Afdelingschef Dorrit Sylvest Nielsen](#) (source)

[Afdelingschef Dorrit Sylvest Nielsen](#) was the Direktør for Familiestyrelsen which was [Ankestyrelsens Familieretsafdeling](#) previous incarnation.

Therefore, the responsibility for any problems relating to [Ankestyrelsens Familieretsafdeling](#) should naturally fall upon [Afdelingschef Dorrit Sylvest Nielsen](#).

As the following two dilemmas show, I believe there are sufficient reasons to call for [Afdelingschef Dorrit Sylvest Nielsen](#)'s resignation.

The situation is very serious: Every decision made by [Statsforvaltningen](#), [Ankerstyrelsen](#) [Familieretsafdeling](#), [Psykolognævnet](#), and Kommunes - especially those involving '[børnesagkyndige undersøgelser](#)' (English: *child welfare investigation*) since at least 2009 - will have to be investigated (and I believe by the police)...and people involved will have to 'resign' (or be fired!).

•Ankestyrelsen Dilemma No. 1: Disregarded Own Guidelines

The rules/guidelines defining '[børnesagkyndige undersøgelser](#)' (English: Child Welfare Investigations) are defined in 'Vejledning om børnesagkyndige undersøgelser' (English: Guidelines on Child Welfare Investigations) see [here](#) and [here](#) (in Danish).

Vejledning om børnesagkyndige undersøgelser' (see [here](#) and [here](#)), was written by [Ankerstyrelsens Familieretsafdeling \(Familietyrelsen\)](#) in conjunction with [Dansk Psykolog Forening](#) (The Danish Psychologists' Association).

The current and previous versions of 'Vejledning om børnesagkyndige undersøgelser' (see [here](#) and [here](#)) are 100% the same in content, with a cosmetic change to do with the change of name from Familiestyrelsen to [Ankerstyrelsens Familieretsafdeling](#).

'Vejledning om børnesagkyndige undersøgelser' (see [here](#) and [here](#))

states the following:-

En børnesagkyndig undersøgelse bør som udgangspunkt indeholde:

(English: A child welfare investigation should, as a starting-point , include:)

1) To klinisk (afdækkende) samtaler med hver af forældrene – eventuelt også samtaler med forældrene sammen

(English: Two clinical (substantive) interviews with each parent - possibly with both parents together)

2) To observationer af samspejlet mellem hver af forældrene med barnet

(English: Two observations of the interaction between each parent with the child)

3) Én samtale med barnet alene

(English: One conversation with the child alone)

4) Yderligere information om barnet og/eller forældrene fra offentlige myndigheder og lign.

(English: Further/additional information about the child and / or parents from public authorities and the like.)

5) En gennemgang af erklæringen med forældrene.

(English: A review of the declaration with the parents)

Now, in Denmark, to guarantee "minimum legal rights" there is such a thing called "retssikkerhed" (see [here](#) and [here](#) - in Danish), and this case this means that when 'børnesagkyndige undersøgelser' are performed, they have to meet the minimum requirements set out in the 'udgangspunkt' (English: basis) as described in 'Vejledning om børnesagkyndige undersøgelser' (see [here](#) and [here](#))

My case proves that invalid 'børnesagkyndige undersøgelser' that do not meet the 'udgangspunkt' (English: basis) are being performed and then used to make illegal decisions.

See proof in the documentation below:-

[001a 1st Page of Psychologist's report](#)

[010 Statsforvaltningens 'JUSTITSMORD' Decision dated 15-02-2011](#)

[003 Familiestyrelsens 'JUSTITSMORD' Decision dated 16-05-2011](#)
see pages 6 and 8

[009 Familiestyrelsen Afslag dated 14-09-2011](#)

'Vejledning om børnesagkyndige undersøgelser' (see [here](#) and [here](#))

All of the above leads to a very serious dilemma for [Ankerstyrelsens Familieretsafdeling \(Familiestyrelsen\)](#) as described below.

•Ankestyrelsens Dilemma No.2: Kontorchef Malene Vestergaard

The most interesting thing about [Ankerstyrelsens Familieretsafdeling \(Familiestyrelsen\)](#) involvement in this case is that, the person who wrote 'Vejledning om børnesagkyndige undersøgelser' (see [here](#) and [here](#)) is a person called Kontorchef [Malene Vestergaard](#).

PHOTO: Kontorchef [Malene Vestergaard](#) ([Source](#))

[Malene Vestergaard](#) was [Kontorchef for Familieret 1](#) in [Ankerstyrelsens Familieretsafdeling \(Familietsyrelsen\)](#) at the time my case was handled by [Ankerstyrelsens Familieretsafdeling \(Familietsyrelsen\)](#) on two separate occasions.

The staff who handle my case at [Ankerstyrelsens Familieretsafdeling \(Familietsyrelsen\)](#) were **also** from [Familieret 1](#).

What the above means is that the staff involved with my case from [Ankerstyrelsens Familieretsafdeling \(Familietsyrelsen\)](#) **knowingly** disregarded (tilsidesat) 'Vejledning om børnesagkyndige undersøgelser' (see [here](#) and [here](#)) that was written by their direct boss [Malene Vestergaard](#) who was [Kontorchef for Familieret 1](#)....**how can this be?**

Now, I had specifically pointed out both this and the previous dilemma (which are basically two parts of the same dilemma) in my documentation to [Minister Karen Hækkerup](#) when she was Social Minister in late September/October 2012. But [Minister Karen Hækkerup](#) chose to do nothing. See [Minister Karen Hækkerup](#) Hækkerup's reply below.

[002 Letter from Social Minister Karen Hækkerup 17-10-2012](#)(in Danish)

[Malene Vestergaard](#) is now [Knotorchef for Familieret](#) in [Ministeriet for Børn, Ligestilling, Integration og Sociale Forhold](#) (English : [The Ministry of Children, Gender Equality, Integration and Social Affairs](#)).

How can this be? Shouldn't [Malene Vestergaard](#) be fired? Is this some kind of "White (supremacy) privilege"?

Why was [Malene Vestergaard](#) moved/promoted from [Ankerstyrelsens Familieretsafdeling \(Familietsyrelsen\)](#) to [Knotorchef for Familieret](#) in [Ministeriet for Børn, Ligestilling, Integration og Sociale Forhold](#)?

Even though I gave [Minister Karen Hækkerup](#) (as Socialminister) information proving that [Malene Vestergaard](#)'s own staff that were under [Malene Vestergaard](#)'s direct responsibility, ignored 'Vejledning om børnesagkyndige undersøgelser' (see [here](#) and [here](#)) that was 'written' by [Malene Vestergaard](#), why was nothing done?

Isn't there something seriously wrong with this?

([picture source](#))

●Resignations (firings)

The situation is very serious: Every decision made by [Statsforvaltningen](#), [Ankerstyrelsen Familieretsafdeling](#), [Psykolognævnet](#), and Kommunes - especially

those involving '[børnesagkyndige undersøgelser](#)' (English: *child welfare investigation*) since at least [2009](#) - will have to be investigated (and I believe by the police)...and people involved will have to 'resign' (or be fired!).

[Malene Vestergaard](#) Resignation(Firing):

I believe [Malene Vestergaard](#) should be immediately suspend (with a view to resignation/firing) from duty at [Ministeriet for Børn, Ligestilling, Integration og Sociale Forhold](#) due to credibility issues, and [Malene Vestergaard](#) asked: "How is it, that staff that were under your direct responsibility, ignored 'Vejledning om børnesagkyndige undersøgelser' (see [here](#) and [here](#)) that was 'written' by yourself (i.e. [Malene Vestergaard](#))?"

Further, which other laws and guidelines that were 'written' by [Malene Vestergaard](#) have also been ignored by [Ankerstyrelsen Familieretsafdeling](#)?

A search of [Retsinformation.dk](#) reveals which laws/guidelines [Malene Vestergaard](#) has been involved with. ([click here for google search results](#)).

An expanded search of [Retsinformation.dk](#) reveals which laws/guidelines BOTH [Malene Vestergaard](#) and [Minister Karen Hækkerup](#) have been involved with ([click here for google search results](#)).

[Afdelingschef Dorrit Sylvest Nielsen](#) Resignation(Firing):

I believe [Afdelingschef Dorrit Sylvest Nielsen](#) should also be asked to resign(fired) for all the reason described above, as the responsibility for any problems relating to [Ankestyrelsens Familieretsafdeling](#) falls upon [Afdelingschef Dorrit Sylvest Nielsen](#).

([picture source](#))

If you also believe that [Afdelingschef Dorrit Sylvest Nielsen](#) and [Malene Vestergaard](#) should resign(be fired) after reading this article, *very kindly and respectfully* write to [Minister Manu Sareen](#) (Ministeren for børn, ligestilling, integration og sociale forhold) at min@sm.dk asking for the immediate resignation of [fdelingschef Dorrit Sylvest Nielsen](#) (and [Malene Vestergaard](#))

PHOTO: [Minister Manu Sareen](#) ([source](#))

9) MY COMPLAINT TO PSYKOLOGNÆVNET & PSYKOLOGNÆVNET'S DECISION ("COVER-UP"?)

The following documentation are the documents relating to my complaint to **Psykolognævnet** . **The Danish Supervisory Board of Psychological** - over the psychologist who performed the invalid Child Welfare Investigation.

Psykolognævnet's decision fails to criticise the psychologists work even though Psykolognævnet point out in its decision that the psychologist only made one observation of the interaction between each parent with the child.

Since the minimum requirements for the Child Welfare Investigation (Danish: 'børnesagkyndige undersøgelser') clearly states that there must be at least two observations of the interaction between each parent with the child, **Psykolognævnet's decision** failure to criticise the psychologists work is clearly wrong.

Is Psykolognævnet's decision some kind of "cover-up"?

The [Ethical Principles for Nordic Psychologist](#) states the following in the second to last paragraph:-

The principles are a basis to consider complaints about psychologists ([source](#)).

Therefore, The Danish Supervisory Board of Psychological Practice has to take both The [Ethical Principles for Nordic Psychologist](#) and [The law act on the rights and duties of psychologists](#) (Danish: *Psykologlov*) when handling complaints against authorised psychologists.

This means that The Danish Supervisory Board of Psychological Practice has to also show **solicitude** (**care**) and **conscientiousness** in handling complaints over handling complaints against authorised psychologists.

Psykolognævnet's decision clearly lacking in solicitude (care) and conscientiousness, and is inappropriate and unprofessional, and unethical (corrupt).

The following documentation speak for themselves!

(Document explaining my children's mother's problems)

● **The situation is very serious:** Every decision made by [Statsforvaltningen](#), [Ankerstyrelsen](#), [Familierechtsafdeling](#), [Psykolognævnet](#), and Kommunes - especially

those involving '[børnesagkyndige undersøgelser](#)' (English: child welfare investigation) conducted by psychologists who are members of [Dansk Psykolog Forening](#) since at least 2009 - will have to be investigated (and I believe by the police)...and people involved will have to 'resign' (or be fired!).

• **Report to the Police (pending):** I have a claim on breeches of several sections of Danish Penal Law ([Straffeloven §146](#), [§155](#), [§156](#), [§157](#), [§163](#), [§215](#), [§261](#)) by *staff* from the authorities and *psychologists* involved with my case.

10) PSYCHOLOGIST VS PSYCHOLOGIST

It is very clear from the documentation that I provide that the psychologist who did the Child Welfare Investigation did not meet the minimum requirements to perform the investigation, and therefore performed an unethical investigation that is in actual fact invalid, and that it was used to make an illegal decision by The Danish Stats Administration (Danish: Statsforvaltningen).

The psychologist in question deserves to be openly criticised by other psychologists.

In fact, it is not uncommon for psychologists who are members of The Danish Psychological Association to strongly criticise and openly each other on the basis of [ethics](#).

PHOTO: Psychologist Lars Diemer Cand.psych.aut. ([source](#))

One example of psychologists strongly criticising other psychologists, is when **Psychologist Lars Diemer** Cand.psych.aut. and **Psychologist Pia Scheuer** Cand.psych.aut. made the following criticism (which I paraphrase):-

English (translation): *"It is common knowledge that if one is to make an investigation of children ... one has to follow the ethical rules ... psychologists who are doing investigations that do not even as a minimum live up to the general ethical rules, are problematic."*

Danish (original): *"Det er almindelig kendt, at hvis man skal lave undersøgelser af børn...man skal følge de etiske regler...psykologer, der laver undersøgelser, der ikke engang som minimum lever op til almindelige etiske regler, er problematisk."*

The above criticism was made by **Psychologist Lars Diemer** Cand.psych.aut. and **Psychologist Pia Scheuer** Cand.psych.aut. in their article ["Man Gjør Et Barn Fortræd"](#) for the The Danish Psychological Association members magazine.

Read in Danish ["Man Gjør Et Barn Fortræd"](#)

You know what? I totally agree 100% with **Psychologist Lars Diemer** and **Psychologist Pia Scheuer**.

However, **Psychologist Lars Diemer** and **Psychologist Pia Scheuer** criticise **presupposes that they themselves follow the**

ethical rules and meet minimum requirements that are clearly stated in any written guidelines for any investigations involving children that they themselves conduct or are involved with.

Why do I write the above paragraph?

Were both **Psychologist Lars Diemer** and **Psychologist Pia Scheuer** involved with this case?

I neither confirm nor deny the involvement of Psychologist Lars Diemer and Psychologist Pia Scheuer with this case.

11) Dansk Psykolog Forening's Credibility (SHOULD Formand Eva Secher Mathiasen RESIGN?)

•Dansk Psykolog Forening's Credibility

I have provided information to The Danish Psychological Association Chairman regarding the invalid Child Welfare Investigation and highlighted that there is a much greater problem...but The Danish Psychological Association has chosen to do nothing (*like all the other corrupt Danish State authorities involved with my case*).

The very last paragraph of the **Ethical Principles for Nordic Psychologist** it states the following:-

English (translation): "A psychologist who is aware that a colleague seriously departs from the ethical principles that is obliged to make the national psychological association aware of this."

Danish (original): "En psykolog, som er bekendt med, at en kollega i alvorlig grad fraviger de fagets principper, har pligt til at gøre den nationale psykolog forening opmærksom på dette"(source)

What is the **appropriate** and **professional** thing that The Danish Psychological Association should have done after being given information to them about one of their members conducting invalid Child Welfare Investigations, that are then being used by Statsforvaltningen to make illegal decisions?

Read the following documentation:-

[007_to_psykolognævnet_21-12-2012](#)

[proof_of_conversation_with_Eva_Secher_Mathiasen_04-06-2012](#)

[email_to_Eva_Secher_Mathiasen_08-06-2012](#)

The situation is very serious: Every decision made by [Statsforvaltningen](#), [Ankerstyrelsen](#), [Familieretsafdeling](#), [Psykolognævnet](#), and Kommunes - especially those involving '**børnesagkyndige undersøgelser**' (**English: child welfare investigation**) conducted by **psychologists** who are members of [Dansk Psykolog Forening](#) since at least **2009** - will have to be investigated (and I believe by the police)...and people involved will have to '**resign**' (or be **fired**!).

•Should Formand Eva Secher Mathiasen RESIGN?

PHOTO: Eva Secher Mathiasen Cand.psych.aut. ([source Claus Bjørn Larsen](#))

I believe that **The Danish Psychological Association** are required to **expel** the psychologist in question who carried out the invalid Child Welfare Investigation.

I have informed **Chairman Eva Secher Mathiasen Cand.psych.aut.** of the identity of the psychologist in question.

In my telephone conversation (in Danish) with **Chairman Eva Secher Mathiasen Cand.psych.aut.** on the 4th June 2012, I asked here if it is allowed to have a error in the minimum requirements (Danish: Det vil sige en fejl i udgangspunktet for undersøgelsers inhold)...to which **Chairman Eva Secher Mathiasen Cand.psych.aut** replied "No" (Danish: Nej).

The above question is the kind of question to which there is only one credible answer. I believe it is necessary to go to court to get **Chairman Eva Secher Mathiasen Cand.psych.aut** to answer the question under oath on record.

[proof_of_conversation_with_Eva Secher Mathiasen 04-06-2012](#)

([picture source](#))

If The Danish Psychological Association do not [expel the psychologist in question](#), then I believe that Chairman Eva Secher Mathiasen Cand.psych.aut. should resign from the post of Chariman of The Danish Psychological Association.

12) POLICE REPORT (Danish : POLITIANMELDELSE)

([Logo source](#))

I have a claim on breeches of several sections of Danish Penal Law ([Straffeloven §146](#), [§155](#), [§156](#), [§157](#), [§163](#), [§215](#), [§261](#)) by Statsfrovtningen, the other authorities involved and by my children's mother. I am in the process of writing a police report (Danish: politianmeldelse), and I have also been in contact with Copenhagen Police (Danish: Københavns Politi).

Danish Penal Law ([Straffeloven](#)) [§146](#) reads as follows:-

English: *["Penal Code § 146: Someone who commits, whilst having jurisdiction or as part of a public authority to the right make judegments \(decisions\) on legal matters relating to private life, injustice in deciding the case or its handling, shall be punished with imprisonment of up to 6 years.](#)*

[Stk. 2 If the act is committed with intent to cause loss of welfare for someone, then the penalty is imprisonment for up to 16 years."](#)

Danish: "[Straffeloven § 146: Begår nogen, der har domsmyndighed, eller hvem der tilkommer offentlig myndighed til at træffe afgørelse i retsforhold, der vedrører private, uretfærdighed ved sagens afgørelse eller behandling, straffes han med fængsel indtil 6 år.](#)

[Stk. 2. Begås handlingen med forsæt til velfærdsfortabelse for nogen, er straffen fængsel indtil 16 år."](#)

Statute of limitations

Danish Penal Law ([Straffeloven](#)) [Chapter 11](#) contains information the Statute of limitations (**Danish:** [Ophør af den strafbare handling](#) [retsfølger](#))

13) THE MOTHER'S FALSE ACCUSATIONS & 'SMOKING GUN'

([PICTURE SOURCE](#))

LIAR, LIAR! Since the root cause of all the problems is my children's mother's accusations, I will be reporting her to the police as part of my forthcoming police report (Danish: politianmeldelse) for breeches of several sections of Danish Penal Law ([Straffeloven §146, §155, §156, §157, §163, §215, §261](#)).

Let's face it: If my children's mother's accusations were true, then she should have gone to the **police** a long time ago!

My evidence includes recordings (the smoking gun) that prove my children's mother is:-

- Violent
- Threatening - including a threat on my life
- Kidnapped and withheld my children from me in 2008
- Motivated by money - I have a recording of her stating 'that she will get the children's address to get all the money (børnepenge)'
- My children's mother having a psychotic episode.

The recordings have been part of the Statsforvaltningen case journal since 2008...and have been sent to the responsible ministries, and to the kommune in which I live, and this information will be included in my 'politianmeldelse'.

I have been told by several Danish people, both female and male, that it is *common* for mothers to kidnap children from the family home to make false accusations about fathers to [Statsforvaltningen](#) and the kommune, and for [Statsforvaltningen](#) and kommune to act in favour of the mother.

I have decided to report my children's mother to the police for her false accusations along with staff from the authorities

involved.

([PICTURE SOURCE](#))

My children's mother's behaviour is totally and rationally explainable within in the context of '[primitive/immature defensive mechanism](#)' and '[borderline personality disorder](#)'.

Read the following document:-

[024_to_statsforvaltningen_kontorchef_14-02-2012](#) *NEW UPLOAD*
(Document explaining my children's mother's problems)

Furthermore, due to factor called '[comorbidity](#)', if a person meets the requirements to be diagnosed with one '[pesonality disorder](#)', that person will also meet the requirements to be diagnosed with another [personality disorder](#).

'[Comorbidity](#)' is further explained due to the fact that the criteria listing for each personality disorder has some 'overlap'. For example, a '[lack of empathy](#)' is a 'trait' that is common to borderline, narcissist, antisocial, and a psychopathic disorder

'[Comorbidity](#)' explains 'why' a particular person will appear to behave like a **borderline**, a **narcissist**, an **antisocial**, and a **psychopath**.

In the preface to book "[PSYCHOPATHY : Antisocial, Criminal, and Violent Behavior](#)" the following is stated:-

"The use of the psychopathy concept in clinical settings has for different reaosn faded away in many countries in Europe.

Nevertheless, there is a close and inverse relationship between psychoypathy and borderline diagnosis, which was illustrated in a study in Denmark.

Patients who would have earlier been diagnosed as having psychopathic deviances are now often labeled borderline."

Understanding personality disorders, [primitive/immature defensive mechanism](#), [comorbidity](#) and how to deal with a person exhibiting related behaviours is essential.

Keep your head cool, and stick (fanatically) to the facts, whilst thoroughly exposing the facts for everyone to see.

In fact, you need to collect enough information(evidence) to prove your case to the police, and then report that person to the police.

Read the following article about dealing with an (ex)-partner who has [Borderline Personality Disorder](#).

I also recommend the book '[Splitting: Protecting Yourself While Divorcing Someone with Borderline or Narcissistic Personality Disorder](#)'

14) INSTITUTIONAL RACISM & SEXISM

Definitions are important, as they allow the **identification** of the **criteria** used to make a **judgement**.

PICTURE: [Sir William Macpherson \(Retired High Court judge\)\(source\)](#)

In the UK, as part of the "[Stephen Lawrence Inquiry](#)", '[Institutional Racism](#)' was defined by [Sir William Macpherson \(retired judge\)](#) as follows:-

*"Institutional racism: the collective failure of an organization to provide an **appropriate** and **professional** service to people because of their colour, culture, or ethnic origin".*

The above definition can also be used to define **institutional corruption**, **Institutional racism** and **institutional sexism** against **fathers**.

It is clear from the documentation that I disclose, that the behaviour, work, and decisions by the involved staff (and contracted persons) from the authorities involved was '**inappropriate** and **unprofessional**'.

I have been told by various (white) Danes that the reasons for the problems with my case is because I am NOT a white ethnic Dane.

PICTURE: [The C.O.W.S "Please, respect me like I am a white person" T-shirt Experiment.](#) [picture source.](#)

Interesting, as before the illegal change in my time with my children, I wrote to the Director responsible for the particular Statsforvaltningen offices that my case fell under.

The Director of that particular Statsforvaltningen replied by [letter](#) as follows:-

Danish: "Jeg kan oplyse, at vi bestræber os på at levere en høj service, og at vi bestræber os på at være **neutrale** og **upartiske**"

English: "I can inform you that we strive to deliver a high level of service and we strive to be **neutral** and **impartial**"

Read the letter for yourself in the link below:-

[002 Letter form the Director Statsforvaltningen 'XXXX' dated 01-07-2010](#)

So a while ago, after my time with my kids was illegally changed, and whilst preparing my complaint to the Ombudsmand, I decided to write to the Direktør of the Statsforvaltningen with an analysis that explains why I believe that Statsforvaltningen are **corrupt**, **racist** and **sexist** against **fathers**.

Read and study the letter for yourself that I recently uploaded in the link below:-

[022 to Statsforvaltningen Xxxxx Direktør dated 16-01-2012](#)*NEW UPLOAD*

So, what we are talking about is a serious case of 'Institutional Racism' and 'Institutional Sexism'.

In the UK, '[Institutional Racism](#)' was defined by [Sir William Macpherson \(retired judge\)](#) as follows:-

*"Institutional racism: the collective failure of an organization to provide an **appropriate** and **professional** service to people because of their colour, culture, or ethnic origin".*

● [The Context Of White Supremacy \(The C.O.W.S\)](#)

RACISM = WHITE SUPREMACY: In this particular case the word 'racism' is synonymous with '[white supremacy](#)'.

It has been stated by [Neely Fuller Jr](#), author of the "[Compensatory Code Book](#)", that "***If you do not understand white supremacy (racism), everything else that you think you understand, will only confuse you***"

'[White supremacy](#)', meaning that people classified as 'white' are treated superior to people classified as 'not-white'.

Within the context of '[white supremacy](#)', people classified as 'white' are treated superior to people classified as 'not-white', by **mistreating/abusing** the rights of people classified as 'not-white'.

The whole situation can be best described by use of the phrase '[HIGH TECH LYNCHING](#)'

Information on "*low tech or traditional lynchings*" can be found at the website [Without Sanctuary](#).

Am I dealing with people in my case who are exhibiting [The Psychopathic Racial Personality](#)?

● [Past Examples of Danish State Institutional Racism](#)

Other examples of Danish state institutional racism include the [Tamil Case](#) (Danish: [Tamilsagen](#)) and the [Palestinian Stateless Case](#) (Danish: [Statesløs-sagen](#)).

It is clear that in both the [Tamil Case](#) (Danish: [Tamilsagen](#)) and the [Palestinian Stateless Case](#) (Danish: [Statesløs-sagen](#)) that the cases in question were handled both **inappropriately** and **unprofessionally**.

([picture source](#))

The denial of racism is absolutely crucial to its existence.

Read (Danish) [Hækkerup: Racisme er ikke en generel tendens i Danmark](#)

15) Challenging the Null Hypothesis and CONCLUSION

The P - Value Interpretation Table	
Less than 0.01	Strong evidence against Null Hypothesis, Very statistically significant
0.01 to 0.05	Some evidence against Null Hypothesis, statistically significant
Greater than 0.05	Insufficient evidence against Null Hypothesis

([PICTURE SOURCE](#))

It is possible to calculate the probability of all the errors occurring by chance in a single case to determine statistical significance (**hypothesis testing**).

In statistical inference of observed data of a scientific experiment, the **null hypothesis** refers to a general statement or default position that there is no relationship between two measured phenomena ([source](#)).

In this case the **Null Hypothesis** would be that the Danish state authorities are **NOT corrupt, racist** and **sexist** against **fathers**.

My assertion that the Danish state authorities **ARE corrupt, racist** and **sexist** against **fathers**, would then be called the **Alternative Hypothesis**.

The probability of all the errors occurring in one case would then be used as the **p-value**.

If we more than generously assume that the **probability of each single error** occurring by **chance** in a case is **50%** (or 0.5)...then this is the same **chance** as flipping an un-biased coin and getting a particular side.

Therefore, **two errors** occurring in the same case would be $0.5 \times 0.5 = 0.25$, and this is the same chance of flipping an un-biased coin and getting the same side two times in a row.

The flipping of an un-biased coin is a useful analogy.

When **five** errors occur in the same case, we get a **p-value** (probability of occurrence) equal to **3.125%** and this is below the **5% threshold** that is normally used to indicate **statistical significance**.

To continue the coin flipping analogy: Five errors occurring in this case is equivalent to flipping an un-biased coin five times in-a-row, and get the same side of the coin five times in-a-row...*try it, to see how difficult that is.*

Statistical significance is the probability that an effect is not due to just chance alone...and probably due to some other factor (bias).

My Conclusion? In my case I can prove that **at least 5 people** from the the Danish state authorities involved ignored several so called

errors that I have pointed out to them **several times**.

Furthermore, In my case I can prove that **at least 5 Danish state authorities** involved ignored several so called errors that I have pointed out to them **several times**.

The 5 Danish authorities involved with my case are **1)** The district Council (Kommune) **2)** Statsforvaltningen **3)** Ankestyrelsens Familieretsafdelinf (Familiestyrelsen) **4)** Psykolognævnet **5)** The responsible ministries ([The Danish Social Ministry](#) and [The Danish Economic & Interior Ministry](#)).

[My other blog articles](#) contain links to the case documentation that prove that I really have pointed out the so called errors to several staff from the authorities involved, and that I have done this several times.

The the Danish state authorities and their staff have no room for plausible denial, and the probability of error is statistically significant.

Based on the documentation that I have linked to this and my other articles, the facts of the situation, and the less than 5% chance of probability that **at least 5 people** involved with my case and **at least 5 Danish state authorities** ignored several so called errors that were pointed out to them several times; **only one conclusion can be drawn:-**

CONCLUSION: The Danish state authorities are institutionally **corrupt**, institutionally **racist** and institutionally **sexist** against fathers...without a doubt.

16) IF YOU ARE A JOURNALIST

([PICTURE SOURCE](#))

I call on several journalists to *write about my blog*...this way you can be free of blame, leaving me to stand as responsible for the content of my blog.

I do not expect journalists to take any more risks than I am prepared to take.

Copies of my documentation (including recordings) are ready, I will be contacting journalists regarding this case in due course.

Journalists and the public now have a chance to view the actual documentation for a case that will have epic consequences for the Danish legal system.

This is a truly unique opportunity for some very serious investigative journalism.

Several copies of my documentation (including recordings) are ready.

17) CASE DOCUMENTATION

([PICTURE SOURCE](#))

The following are links to the actual case documents to/from the authorities involved.

My documentation shows that for three years I have continuously battled with the system, and all the 'right people' know about the problems of the authorities not doing their jobs properly and breaking several laws including Straffeloven.

Except for the names of Ministers (who are in the public eye), most names and other information have been 'anonymised'.

Since there is actually quite a bit of information to anonymise and to upload, I have decided to do this piecemeal on a daily basis...**so check back regularly to see updates.**
